Delegates Report from LWVMI State Convention

Two delegates represented LWVCC at the state convention in May in Lansing. They were the only Yoopers in attendance. Judy Crotty, a veteran of previous state and national conventions, was joined by new member Lisa Dunnebeck. Lisa, a former office staffer at the US House of Reps., reported her first League convention was three days of energizing talks and information on issues and good networking about the work of the League. Judy said I learned a lot this time--from watching the league in action as a possible position was debated. Absolute fairness maintained with time-tested procedure was a beautiful thing to see. We don't all agree on topics but we all agree on rules and that made the meetings run smoothly and efficiently. Just pure greatness---thank you to the The League of Women Voters of Michigan Board and all the delegates!

Having split up to attend a broad number of workshops, Lisa and Judy will be sharing information they gathered. The meeting will be in the private dining room of the Kangas Cafe at the Jutila Center in Hancock on Wednesday, July 17th at 1pm. You are welcome to order on your own.

Nominating Committee 2013

Volunteers for the 2013 Nominating Committee are: Kathy Flagstadt; Fredi de Yampert; Martha Sloan

Other Business and/or Directions to the Board from the Membership:

1. State Convention in Lansing, May 17–19, 2013. Crotty, Martha Sloan and Lisa Dunnebacke will attend.

2. Ellen Varney would like to work with Voter Service chairperson Flagstadt to produce a Baraga County “Your Government Officials.”
3. Kurz would like information from the State League regarding a proposal in the state legislature to create for-profit charter schools with the state per-pupil funds to follow the student. Kurz suggests our delegates express our concern about this topic and request more information from the State League. Perhaps we should have a unit meeting on the topic.
4. Fink would like to know if there is anything in the state positions to allow LWVCC to be involved in the public partnership to support the drug court as presented by today’s speaker, Judge Wisti. Also, if the partnership evolves into creation of a 501c3 organization, we need to determine if LWVCC can be a member.
5. Weissbach thanked de Yampert for serving as Acting President and board members for their service.

The following announcements were made:

1. The delegates will make plans for a Report from Convention meeting.
2. The summer board meeting will be August 12, 4pm at Marchaterre’s home.

Highlights from Annual Meeting Speaker Presentation

Submitted by Barry Fink

The Honorable Mark Wisti, judge of the 97th District Court focused his remarks at the LWVCC Annual meeting on the topic of Drug Courts. He is leading the effort to create a drug court for our area, applying for three grants to fund the work of the court. Time for officers to make in-home random inspections, frequent drug testing and the cost of treatment all need to be put in place.

The need for drug courts is apparent given the 330,000 individuals imprisoned in MI and 1.7 million in the US, with a large proportion of those involving drugs. The sentencing guidelines in place are in reality mandates that tightly limit the options for judges and are crowding our jails and prisons with largely non-violent offenders who make up about 20% of the prison population.

Using an engaging approach to describe two typical scenarios in the local courts, Judge Wisti took his listeners through the personal history and likely court experience of a repeat DUI offender and a repeat thief of prescription drugs from a private home. The repeat DUI offenders are the more lethal group, having caused 265 deaths last year in MI. The inadequacy of the current system and the options for improvement using the drug court strategies were detailed. As Judge Wisti explained, he is already instituting many of the approaches of a drug court. He announced that effective immediately, there will be no pleas on drunk driving cases in Houghton County. Since the Sheriff’s office has very little budget to send people for drug testing, along with other funding demands of drug treatment, it will be necessary to forge Agency, Organization and Community Partnerships to sustain the system as the start-up grants are limited to a three year period.

Since alcohol abuse began to be addressed as a public health problem in the 1980s, the negative consequences have decreased significantly. We need the same approach to opiate addiction, the largest element of drug offenses. Judge Wisti exemplifies a no-nonsense yet compassionate jurist, who has a systems view of the large picture of our courts and expectations for honesty from the court and individual offenders.
